Grants Pass Active Club Motto

We are excited to have you as a participant in the 2011 Boatnik Parade. It is always such a great time for the entire family to gather together to celebrate all that Grants Pass and the surrounding communities have to offer.

It is the Active Club’s intention to present a positive Parade experience for our community. We strive to create a family Atmosphere on Parade Day and throughout Boatnik weekend. In doing so, we ask all participants represent their parade entry in a positive manner that represents the concept of the family atmosphere.

The Grants Pass Active Club reserves the right to refuse any entry that misrepresents itself on the entry form or does not portray the family atmosphere represented by the Boatnik parade.

Due to our constraints with the length of the parade, all **Vehicle/Car clubs will be limited to 25 vehicles/cars per entry. A vehicle/car club may pay an additional \$25.00 for an additional 10 vehicles/cars.**

The Grants Pass Active Club realizes that our society and nation are facing tough times economically. We are committed to supporting the youth of Grants Pass. All of us, as volunteers, understand the commitment and resources needed to put on this outstanding event for the entire community of Grants Pass and the surrounding cities. Please understand that without your support, we do not raise the funds needed to support our youth. All proceeds are returned to our youth through donations. You are encouraged to contact us for donations for any youth organization. We strive to give our community the best parade Southern Oregon has to offer. **Please understand that this parade is a fundraiser for our youth and that all entry fees are required and will not be waived. Remember: Boatnik is for the kids.**

Sincerely,
Grants Pass Active Club
